Driving in the freeway fast lane
A man with a gun is looking
So get away as fast as you can
Can't know what you can trust in a man

There's a color line in your face
You can't work in this place
Discrimination everywhere
Tell a man, that he ain't there

Sue the maker..
Sue the maker..
Don't look back

Wouldn't you like to change the world
Into something?
Something new,
Where we'd all wake up
I need something to believe in
I need something I can look to
Doesn't everyone?

Between the man and his maker
We fall into a line and we fade in
Reaching for the perfect place
Everybody join the race

Sue the maker..
Sue the maker..
Don't look back..

The system's up, the system's down
Driving us into the ground
Mad man in mode attack
What he's lost, he wanna get back

Sue the maker..
Sue the maker..
Don't look back..

Wouldn't you like to change the world

Into something?
Something new,
Where we'd all wake up?
I need something to believe in
I need something I can look to
Doesn't everyone?
Just a moment of your time, please
Just a moment of your time, please
Just a moment of your time, please
Just a moment of your time, please

Wouldn't you like to change the world
Into something?
Something new,
Where we'd all wake up
