(Intro-MC Ren)

Yo Fredwreck turn this motherfucker up man  
So it can fuck with my eardrums a lil' bit

(Verse 1-Nate Dogg)

Some try to repeat my flow  
Others neva try cuz they know  
I told ya that the game don't wait  
I'm so tight that I can wait for the game  
Just about as tight can be  
That's why you never see 'em fuckin with me  
Get ya chance to bow out gracefully  
You standin face to face with defeat

(Chorus-Nate Dogg)

If you feel me say Nate (Nate!)  
He be, the tightest mutha fucka in here  
Dogg Pound Gangsta Gang  
We be, the hardest mutha fuckaz in here  
Some things never change  
We be, the hardest mutha fuckaz in here  
Dogg Pound Gangsta Gang  
We be, the hardest mutha fuckaz in here

(Verse 2-MC Ren)

Bring yo bitch ass in, close the door  
Now you wanna run and fetch me a ho  
Motha fucka tell yo mama tip-toe  
When she pass my door  
Kurupt, got this bitch about to toss this ho  
And when we makin the nigga shit  
Always makin the killin  
I be hearin you bitches, there go the villain  
Mad cuz your revenue stopped from drug dealin  
Mad at me cuz I'm makin shit them thug's feelin

The hardest mutha fucka nigga love to curse  
It get worse, once the vill' start to smoke  
And this legendary dick start to soak in your throat

(Chorus-Nate Dogg)

We be, the hardest mutha fuckaz in here

Dogg Pound Gangsta Gang

We be, the hardest mutha fuckaz in here

(Verse 3-Xzibit)

So what you know about this West Coast monopoly

Enough animosity, to tear down democracy

Anarchy, you wanna analyze and copy me

But mutha fuck that stay off my god damn property

Xzibit burn a couple ounces of that broccoli

Step into the function make the crowd bounce properly

Yeah I know about your little shit talkin mockery

Tryin to see and pour 6 feet of gravel on top of me

And all my playaz go to wakes so the next nigga can  
take my place

And try to invade my space

Make enemies search for God like Ma\$e (Yeah)

You should avoid catchin 2 to the face, so I can avoid  
catchin a case

You're just another mutha fuckin rat in a race

I explode and expose to this multi-platinum fan base

Never seen before I kick in your door

Ain't no time to run for them guns, just get on the floor

(Chorus-Nate Dogg)

If you feel me say Nate (Nate!)

He be, the tightest mutha fucka in here

Dogg Pound Gangsta Gang

We be, the hardest mutha fuckaz in here

Some things never change

We be, the hardest mutha fuckaz in here

Dogg Pound Gangsta Gang

We be, the hardest mutha fuckaz in here

(Verse 4-Kurupt)

Yeah, a penny for your thoughts in a hour glass of time

Surround sound beats for the Dogg Pound jeeps

Jump the volts up in each single switch

Stick somethin fat up in each single bitch

Bombshell, and for every dick apiece

That ain't from the hood driftin get 5 shells each

Split bustaz, no bustaz allowed

No punk motha fuckaz allowed, loosen the crowd

Dogg Pound say it loud (Dogg Pound!)  
Scream it at the top of your lungs  
Tell these niggaz where we from  
Say Kurupt...Kurupt (Kurupt!)  
Yeah nigga the hardest mutha fucka in here  
I like Hennessy and beer...  
Remy, gin and juice, tequila, and grapefruit...  
Chocolate thai, indigo sticks, and a thick bitch  
Down and out, nah I'm up and in  
Down at the Dogg House with Dre, Cube, & Ren

(Chorus-Nate Dogg)  
If you feel me say Nate (Nate!)  
He be, the tightest mutha fucka in here  
Dogg Pound Gangsta Gang  
We be, the hardest mutha fuckaz in here  
Some things never change  
We be, the hardest mutha fuckaz in here  
Dogg Pound Gangsta Gang  
We be, the hardest mutha fuckaz in here
