touch...touch...touch...

you say your goin through the changes  
everything you see your life is up and down  
and you say that your looking for an answer  
everywhere you look it seems it can't be found  
like searching trying to find a rainbow  
no ones ever no ones ever no ones ever found  
but if your looking for a lover  
evrything you need you can find right here in me

iv'e got the midas touch  
everything i touch turns to gold(yeh darling)  
iv'e got the midas touch baby let me touch your body  
and your soul(wohohohohohohhhhhoh  
together you and i were ment to be  
i'll be right beside you when it....

(wohohohohohohhhhhhhhhoh)  
iv'e got the midas touch  
everything i touch turns to gold(its all in my hands)  
iv'e got the midas touch baby let me touch your body  
and your soul(wont you let me touch you)

iv'e got the midas touch...  
iv'e got the midas touch...
