Every line has a rhyme, do you mind?  
I'm making way deep into your head!  
Aint a minute to waste, you got some sweat to taste,  
get your ass up before you're dead!  
Sing along to the break of dawn; fill it up with the water  
of youth.  
Pick a girl, make her high, make some love,  
then take a bow and listen to me now!

I tell you to amplify!  
These words you can't deny!  
Why are you waiting?  
You sit on your ass all day  
Not doing anything!  
This life you're wasting!

Time to Get Up!

Vers 2

Its Time You Taste Your Own Sweat x8

I tell you to amplify!  
These words you can't deny!  
Why are you waiting?  
You sit on your ass all day  
Not doing anything!  
This life you're wasting!  
Time to Get Up!
