"Halo"

Seems to me, my sacred days are over,
and I feel like my intentions wont breath
Breaking free, I told myself to wake up,
But the end won't let me be what is me
Things just turned right out of place
Didn't want it anyway
Gotta meet myself today
Now I run away this time
Just before I loose my mind
Rocking every pain rewind Yeah
Halo
I'm alive now and you can't hide
Halo
I'm alive with the devil inside Yeah

Seems to me,
the struggle for the heart is singing:
Don't you just tell me what to be
Enemy
The end is feeling my reward
And ignorance's the worst you will see
Things just turned right out of place
Didn't want it anyway
Gotta meet myself today
Now I run away this time
Just before I loose my mind
Rocking every pain rewind Yeah
Halo
I'm alive now and you can't hide
Halo
I'm alive with the devil inside Yeah

I don't wanna be here
Living in this nightmare
It's confusing me
Bringing up the worst in me
Turning day into night
What will be, what will might?
Fuck it!
All we ever care for
Is rock n roll and Halo

Leaving for a better place
Try to save myself from waste x4
