(Verse 1)

I know u already have another lady
You have a happy home w a little baby
I know that loving u is kinda crazy
But if u feel the same,
Then baby, maybe
We could get a lil bit closer
I have an indecent proposal
For you and me

Paint a perfect picture
What a story we could be
We could break the rules
And run away far from here
We could take a chance on love
Breath life into our dreams
What a story we could be

(Chorus)

It's a bitter perfect love
It's the paradox of life
When it feels good but its wrong
N nothing can make it right
When u find the one u love,
But to love him is a crime
I know this story...
Cuz baby I,
I would die, if u took ur love away
And I know, ur not mine
But I'm prayin for the day
When this love can be more,
Than a broken melody, and
A sad story

(Verse 2)

People try to tell me that I should just walk away
That it makes no sense,

This bad romance will cause me pain
But I cannot let him go,
I cannot walk away
I want his love, it's the risk I'm gonna take

(Chorus)
It's a bitter perfect love
It's the paradox of life
When it feels good but its wrong
N nothing can make it right
When u find the one u love,
But to love him is a crime
I know this story...
Cuz baby I,
I would die, if u took ur love away
And I know, ur not mine
But I'm prayin for the day
When this love can be more,
Than a broken melody, and
A sad story
