[Intro:]

Yeah, yeah, yeah Yeah, yeah, yeah

Yeah, yeah, yea-ea-ea-hey

Yeah, yeah, yeah

Yeah, yeah, yeah

Yeah, yeah, yea-ea-ea-hey

[Verse 1:]

Said I been watching you
Wonder ways hoping I could make you stay
For the rest of my life
You make it easy to fall for you
Your like my favorite tune
Playing all through the night
See I can explain the things you do and
I want you to know

That I'll be here for you If you want me to

And I'll never let you go

[Chorus:]

Cause IIIIIIIIIIIIIII

Want you to know that

I'm forever your girl

I'm forever your girl

I said a IIIIIIIIIIIIIII

Want you to know that

I'm forever your girl

I'm forever your girl

[Verse 2:]

We're like night and day

But the same

His love is off the chain

And nothing can compare

Cause when you put it down

Turn me on

His love is all I want

His love is always there

Baby, don't you know what you do to me

How can I make you see yeah

I won't let this feeling die I'm loving you all my life

I'm forever your girl I'm forever your girl

[Verse 3:]

You can count on me
I will be there forever
Through the passion, the pain
The pain and the pleasure
With the love that we got
We can storm any weather
Standing tall in love together
From this moment on
I have made a decision
To love you for life
Without condition
Let me know if you share my vision
We were meant to be

[Chorus:]
