Ladies!

You know we got the good  
the goody good  
you make them go, oh!  
and if our memware bring it lets just tell em'  
no, no  
were not gonna no waste time  
were right we ride em' solo  
we got the goody goood  
we make them, oh!

no, dont bring your hypes  
set it up sweet  
and put it on right  
hold up, dont rush into a fight  
rock it all please if you want this tonight  
ladies look at how much he prides,  
tonight  
dont come to close cuz we might,  
delight  
just to excite you for tonight,  
ladies thats right

Left right left  
and up and down again  
a-tten-tion  
dont move til we say when cuz

you know we got, the good  
the goody good  
you make them go, oh!  
and if our memware bring it lets just tell em'  
no, no  
were not gonna no waste time  
were right we ride em' solo  
we got the goody goood  
we make them, oh!

count them bodies around a pin  
give me the moeny with a taple of kin  
good lovin for you specilizing  
everything lets try best to fit in

we dont want a man who feels insecure  
he could be rich he could be poor  
we would want more  
sensitive, he'll give it to we hardcore  
we would want more

left right left  
and up and down again  
a-tten-tion  
dont move til we say when cuz

You know we got the good  
the goody good  
you make them go, oh!  
and if our memware bring it lets just tell em'  
no, no  
were not gonna no waste time  
were right we ride em' solo  
we got the goody good  
we make them, oh!

we got that good before you  
so be good boy  
dont be shy  
if you know that i am for you  
dont delay boy  
give me mine

(x2)  
You know we got the good  
the goody good  
you make them go, oh!  
and if our memware bring it lets just tell em'  
no, no  
were not gonna no waste time  
were right we ride em' solo  
we got the goody good  
we make them, oh!

oh,oh,oh,oh,oh,oh,oh
