It's Okay
Baby I can see
It's Okay
I will set you free
Maybe some day
I'll find a way without you

It's alright
I've been hurt before
It's alright
You don't love me anymore
Maybe some day
I'll find a way without you

Someday
It won't be long
You'll find yourself alone
Someday
It won't be long
You'll find yourself alone

It's alright
I've been hurt before
It's alright
You don't love me anymore
Maybe some day
I'll find a way without you

Someday
It won't be long
You'll find yourself alone
Someday
It won't be long
You'll find yourself alone

It's okay
Baby baby baby
It's okay
I will set you free
Maybe someday
I'll find a way without you.
