Easy ready willing overtime  
Where does it stop  
Where do you dare me to draw the line

You got the body, now you want my soul  
Don't even think about it  
Say no, go

Yeah, I'll do anything that you want me to  
Yeah, I'll do almost anything that you want me to

Chorus:  
But I can't go for that? no? no can do  
But I can't go for that? no? no can do  
But I can't go for that? no? no can do  
I can't go for that, can't go for that, can't go for that,  
can't go for that

I can't go for being twice as nice  
I can't go for just repeating the same old lines

Used the body now you want my soul  
Oooh forget about it and say no, go

Yeah, I'll do anything that you want me to  
Yeah, I'll do almost anything that you want me to

Chorus

Got my body and my mind and my soul  
I'm guessing the truth is that I really don't know  
The only thing I know is that I lose control  
'Cause you're a beauty and a cutie and I can't let go

The lying the crying I just can't take  
Why can't you be true girl with me girl? you have to be  
fake  
I gotta be strong carry on to make it me and you  
I can't go for that sorry, no can do

Yeah, I'll do anything that you want me to

Yeah, I'll do almost anything that you want me to

Chorus 3x
