"Sign Your Name"

Fortunately you have got someone who relies on you
It started out as friends but the thought of you just
caves me in
The symptoms are so deep it is much too late to turn
away
It started out as friends?

Chorus:
Sign your name across my heart
I want you to be my baby
Sign your name across my heart
I want you to be my lady

Sign your name across my heart
I want you to be my baby
Sign your name across my heart
I want you... to be my lady

Time I'm sure will bring disappointment in so many
things
It seems to be the way, bring the gambling cards on
love you'll play
I'd rather be in hell with you baby than in cool heaven
It seems to be the way?

Chorus

Birds never look into the sun
Before the day is gone
And the light shines brighter on a peaceful day

Stranger blue leave us
We don't want to deal with you
We shed our stains showering in the room that makes
the rain

All alone with you makes the butterflies in me arise
Slowly we make love and the earth rotates to our
dictates
Slowly we make love?

Chorus 2x
