(..I like your style, 5 25,
This is a ride, I don't..)

So when I step up in the dance, tell my daddy just ...
Looking up behind him, I must be famous than them
Now I'm getting recognized, I'm way represented
I'm the shocking of the block...
So when I step up in the dance, tell my daddy just ...
Looking up behind him, I must be famous than them
Now I'm getting recognized, I'm way represented
I'm the shocking of the block...

I'm so amazing for them
They say I am a sun up
I only want that dough with six digits and a comma
I see them all lucky, it's no one on a comma
If I get betrayed it feels burn up

Chorus:
Burn up, burn up, dollars get burn up
Burn up, burn up, please get burn up
Burn up, burn up, then I get burn up
Everybody wants to run when I turn up!
(You know me I am the original!)

It's not a...
Now everybody knows I am a...
I'm tiny, but I'm thinking big
And I'm smart with the boss, check this whiskey.
..everybody knows that I'm a veteran
I'm so blessed, my life is like a...
It's evident...
I don't stop and stop, never hesitate
They know I'm so tough, I'm like the President
A bomb, I'm a fire starter
Burn on a place they call me lava, laughter!
The flow is like a... telling me to go harder, faster
I'm an animal, lama, iguana...
Chilling... with your spice
..in my eyes to get you hypnotized.
I'm in the... trying to find Mr. Right

Chorus:

Burn up, burn up, dollars get burn up

Burn up, burn up, please get burn up

Burn up, burn up, then I get burn up

Everybody wants to run when I turn up!
