verse 1

carry me to open water  
bathe me in your sighs  
tear it out and compensate  
for peace found in your mind  
and I carry your indecision  
passed in your time  
lead through life's sin compilation  
that bleeds in mind  
(chorus)

and I'm confined to  
in the blood the sins are mine  
and I hide through  
truth will wash away in kind

verse 2

dark clouds that bleed with sorrow  
so the blind can see  
mirrored through the veil of shadow  
that shows only me  
testified my witnessed ending  
buried deep but free  
resurrected to do your bidding  
to bleed and seize  
(repeat chorus)

(bridge)

Time that heals all wounds is fading  
light that never shows  
beg to lift these sins upon me  
but I won't let it go  
(chorus)( repeat first verse)
