What I should do,
Is play it cool.
In front of you, an' I just might fool you for a minute or
two.
But what I can't hide,
Is everything I feel inside.
'Cause the truth is, baby, my heart starts racing when
I'm next to you.
An' love won't let me.

An' I go crazy when you come around,
Go insane when we get a little closer now.
I'd be inclined to chicken out,
But love won't let me.
Love has a funny way of getting you into,
Something that scares you but you can't resist.
Or let you leave without a kiss,
But love won't let me.

So we took that step;
Now I'm over my head.
Now I'm circling earth an' I'm pretty sure I won't be
comin' down for a while.
But the trouble is,
Ever since that little kiss,
I don't care how late it gets, don't wanna let you outta
these arms of mine.
'Cause love won't let me.

An' I go crazy when you come around,
Go insane when we get a little closer now.
I'd be inclined to chicken out,
But love won't let me.
Love has a funny way of getting you into,
Something that scares you but you can't resist.
Or let you leave without a kiss,
But love won't let me.

Now I only wanna spend my time,

Holdin' you tight every night.
Baby, every time I think about love,
I've loved you from the day we met,
The way you get me,
I'm so glad that love wouldn't let me.

An' I go crazy when you come around,
Go insane when we get a little closer now.
I'd be inclined to chicken out,
But love won't let me.
Love has a funny way of getting you into,
Something that scares you but you can't resist.
Or let you leave without a kiss,
But love won't let me.

No no.

(Love won't let me.)
