[Verse 1]

This place, aint where, I thought Id be,
Im trapped in.
I need fresh air.
When's the last time that you,
Said that you care?
Just a simple thing like that.
Did you forget and just freeze over?
Rewind; back when,
We first met, you were such an emotional man.
What happened to that?
So sure, Id be always there,
You somehow, Let the feeling drift away..

[Chorus]

But this heart, this mind
Needs to be a little more, Tender. Tender..
Love's not remote control, I,
Need to get treated a little more, Tender. Tender..

[Verse 2]

You're caught up, consumed,
Im kind of numb; feel nothing,
But Im beautiful,
Can't you give back something?
Anything, at all?
I'm still here, Im waiting,
For you to notice, and remember.

[Chorus]

[Verse 3]

Don't complicate it baby,
Cos I aint asking for much,
Just for you to,
Leave me breathless and move me,
Sometimes, Anytime, cos I can't hang around, Noo!
Ohh no!
I need a little more.. Now!

[Chorus] x2
