"World Without You"

Days and nights and nights and days
and silent shades of lazy greys
I call your name
It's all the same

Sitting staring at the ceiling
Dripping painted pictures peeling
From my wall
The time just crawls

Was it yesterday I don't know
Was I dreaming or did I lose everything
I believed in
(If you could only see what I see)
Every time we meet

Imagine a world with no sky
Imagine the ocean run dry
Imagine then you'll see the view
of a world without you

Imagine no sun and no rain
Imagine that each day's the same
It doesn't matter what I do
in a world without you?

Do is doing, and think is thinking
Lonely lovers' lips are sinking
In my tea
They're burning me

Wasted, weeping someone speaking
Thru my head, the bed is leaking
Tears again
And there's no end

Was it yesterday I don't know
Was I dreaming or did I lose everything
I believed in
(If you could only see what I see)
Every time we meet

Imagine a world with no sky
Imagine the ocean run dry
Imagine then you'll see the view
of a world without you

Imagine no sun and no rain
Imagine that each day's the same
It doesn't matter what I do
in a world without you?

My world without you
