Holding hands at midnight  
'Neath the starry sky  
It's nice work if you can get it  
And you can get it if you try.

Strolling with the one girl  
Sighing sigh after sigh  
It's nice work if you can get it  
And you can get it if you try.

Just imagine someone  
Waiting at the cottage door,  
Where two hearts become one  
Who could ask for anything more?

Lovin' who loves you  
And then taking that vow  
It's nice work if you can get it  
And you can get it,  
Won't you tell me how?
