Everybody wants to go (bleed alkali)
And everybody likes to know (bleed alkali)
But whenever somebody asked who you were
I bet you didn't know, too frantic with them all
Replacing hearts with metronomes (bleed alkali)

And if you worship the poison view
Then I want it to burn you too
Yeah I want it to burn you too
Yeah I want it to burn you too

'Cause I'm walking inside it and I'm bleeding alkali
Yeah I'm bleeding alkali
Yeah I'm bleeding alkali
'Cause I'm walking inside it and I'm bleeding alkali
Yeah I'm bleeding alkali
Yeah I'm bleeding

It all makes sense I can't understand

Can anybody help me now? (bleed alkali)
Does anybody know just how? (bleed alkali)
I got no time for the time I receive
Else I'm gonna owe, ain't it personal?
Can anybody help me now? (bleed alkali)

We got nothing to say now
There's no reason to talk
'Cause the people have concealed
The answers

And I'm walking inside it and I'm bleeding alkali
Yeah I'm bleeding alkali
Yeah I'm bleeding alkali
And I'm walking inside it and I'm bleeding alkali
Yeah I'm bleeding alkali
Yeah I'm bleeding

"Balabala...yeah...balala...freedom is a sin...
bop bop...freedom is a sin!"
That's what they tell you

"Balabala..."

Can anybody help me now?
Can anybody help me now?
Can anybody help me now?
Can anybody help me now?
