Surechigatta yasashisa wa
Tashika na mono datta
Ima nagareru namida wa honmono?
Tada afureru kimochi wa nani?

Fly away from all the colors that complain
Ikudo to naku kayou yume o mita
And I don't wanna feel like you
I don't have the right
Samete ite mo ii
Boku ni wa dekinai

Candy is that the way you feel
I didn't know
Just be the way you want to be
And that's all right

Subete no mono o yurashi
Hajimeta koto o kowashi
Aru no wa soredake de
Subete no mono o kowashi
Hajiketa kokoro terashi
Kizukanakatta koto ga mieru
It's true

Making a wish and throwing it back to me
Sagaseru you ni sukima o umeta
All I ever want to be is someone I'll never become
The city has started to paint on the promise of wiping
my mind away

Candy is that the way you feel
I didn't know
Just be the way you want to be
And that's all right

Subete no mono o yurashi
Hajimeta koto o kowashi
You give new meaning to all I have
Subete no mono o kowashi
Karameta kokoro terasu

You've given me all I need now

Candy is that the way you feel
I didn't know
