Bring it back another way

Another scene is grown
It kicks you then it's gone
So I fill my mind up with what I want
Yeah I fill my mind with what you don't

Disco disco 80's
They tried to take it but I'll bring it back another way
Ooh that sound is what we're gonna do
I love my 80's baby
Disco disco 80's
They tried to take it but I'll bring it back another way
Ooh that sound is what we're gonna do
Let's see you swing like a rag doll baby

Disco, disco, disco...ooooh nananana
Disco, disco, disco...ooooh nananana

Beat on, beat on...yeah, yeah, come and get your beat
on
Bring it back...

It's always flowing out my thick skin and bones
And now it owns you
It's gonna hold you
Won't let you go until your world turns all...

Disco disco 80's
They tried to take it but I'll bring it back another way
Ooh that sound is what we're gonna do
I love my 80's baby
Disco disco 80's
They tried to take it but I'll bring it back another way
Ooh that sound is what we're gonna do
Let's see you swing like a rag doll baby

Let me hear you one more time...

Disco, disco, disco...ooooh nananana
Disco, disco, disco...ooooh nananana

Please baby please...
