Love all my little flaws
Love how I'm so incomplete
Bomb London, Tokyo
Leave me with nowhere to go
I change my skin from time to time
Never need to make up my mind

Drown out underwater
I can't seem to see a thing
Even with my eyes wide open
I'm feeling safer
Now I really have nothing to lose

You can't afford to be like me, baby
You can't afford to be like me
You can't afford to be like me, baby
You can't afford to be like me

Unconscious is a state of art
Underneath these vacant smiles, I'm expressionless
Can't say I'm victimized
Have no self to recognize
Ignorance will make you more
Safer, free and beautiful

Drown out underwater
I can't seem to see a thing
Even with my eyes wide open
I'm feeling safer
Now I really have nothing to lose

You can't afford to be like me, baby
You can't afford to be like me
You can't afford to be like me, baby
You can't afford to be like me

Drown out underwater
I can't seem to see a thing
Even with my eyes wide open
I'm feeling safer
Now I really have nothing but it's all I want

I'm smiling underwater
I can't seem to see a thing
Even with my eyes wide open
I'm feeling safer
Now I really have nothing to lose

It kind of seems I'm getting better
Every time I move further away
Always makes me feel much better
When I move me further out of reach
It kind of seems I'm getting better
Every time I move further away
