Yeah wanna get me out, wanna get me out  
You got a lock on me, got a lock on me  
Yeah sugar trees gonna bend, sugar trees gonna bend  
Sweetly I try to, sweetly I...

Yeah see my garden grow, see my garden grow  
You won't let me be, won't let me be  
You don't need me, you just need me to blame  
Come on and blame me

Just walk by  
Fly so high  
Take a big bite  
Such a small lie  
Just walk by  
Say you never tried

Did you need me to come down?  
Did you see me become you?  
Realise when it's all gone  
Did you need me to come down?

Try to sleep  
But the pigs keep whispering  
The sweeter the dream becomes  
The more that they try to rearrange me  
Lalala
