I started singing it's a terrible thing...
I need a mouth to mouth to keep me alive
But I'll try to slip my tongue in...

And I'm lost somewhere inside
When I find me I'll confide yeah

I tried singing for the Catholic Church
They kicked me out before the...Hallelujah brother!
Everything baby is so crystallly clear
Even Stevie Wonder sees it...

And I'm lost somewhere inside
When I find me I'll confide

I gotta sing it!
You gotta hear it!
You're gonna hate it!

Most times I'm relevant...

"Thou shall not sin today!"
"Thou shall not fuck today!"
I asked god what he meant
'Cause it's the only thing that I don't get
"Thou shall not sing today!"
I asked God what he meant
Well he don't know

I gotta sing it!
You gotta hear it!
You're gonna hate it!

I got a way to go
A long way to go
I got a way to go
But I don't know where I gotta go
I got a way to go
A long way to go
I got a way to go
But I don't know where I gotta go
