It's not a problem that you need to believe
But don't collect your faith and try to push it on me
because
I don't wanna do it
I ain't gonna be waiting in line for my turn
To be doing something I don't wanna do
I don't wanna do it
You don't know what you want in me
So every kind of greedy hand feeds me 'til I'm full
I don't wanna do it
Give me the medicine
I'm ready to puke on you now
I don't wanna do it

You keep kicking in the cage
No exit no exit
You keep kicking in the cage
No exit

It's not a problem that they're selling disease dirt
cheap
'cause here's a fact : it's got nothing to do with me
I don't wanna do it
And no I'm never going to be heading no army in
'cause I know that there's no way I can win
I don't wanna do it
Now I'm the world champ ten time prick of the year
I sell junk mainline straight to your ear
I don't wanna do it

You keep kicking in the cage
No exit no exit
You keep kicking in the cage
No exit

Better change your target 'cause I'm going away
The things you thought were coming ain't coming your
way
I'm not a lip sync monkey stuck with you in your cage
I've got my own life to lead I'm going to lead it today
You're a liar

You keep kicking in the cage
No exit no exit
You keep kicking in the cage
No exit
