The only thing I know  
I wait for things to go wrong  
Hit me in the head 'cause I don't know why  
Ain't got no discipline  
No brain to store my thoughts in  
Gotta get me cured

Milkshake in my brain and now I'm sticky and so sweet  
It seems I'm never getting better at restoring me  
But then I don't have to try and get to know  
Everything that's ever come and gone through my  
world

It's only common sense I know  
But I don't understand it

Oh my world's deported me again so  
Drop the bags I'm heading towards...

Utopia utopia  
Is the place I'm going  
Utopia utopia  
Is my grand new home

All of my friends are calling  
Over the rainbow

I think he's so uptight  
Been like that all through his life  
Kick him in the head 'cause he don't know why  
He shows off his new scars  
Just like he's bought a new car  
He's so insecure

Golden dreams are all I want to see  
This road is leading all the way to...

Utopia  
Utopia woo yeah  
Utopia  
Utopia woo yeah

Utopia utopia  
Is the place I'm going  
Utopia utopia  
Is my grand new home  
Utopia utopia  
Is the place that's been calling me  
It's calling me
