this is what i can't deny....  
it's what i say  
its got a hold  
of me i won't explain  
I'm not the same  
I'm not what I used to be  
I'm sinking into a malignant frame

We keep on folding up  
folding up from the inside  
i won't stand giving up  
giving in is such a weakness

i can't discern enemy from ally but  
it doesn't matter i'll punish who i think is wrong

We keep on folding up  
folding up from the inside  
i won't stand giving up  
giving in is such a weakness

i'm not a faker, i'm all that wild ...I'll break all the rules,  
yeah.

I'll be your perfect no one  
nothing can break me down.  
I'll be your perfect no one.  
no one can break me down.

yeah.....

I'm gonna bring down steel rain and blood give me the  
go  
just hand me an arsenal i'll have skin blown to the peels

we keep on giving up  
giving up is not an option  
i won't stand giving up  
giving in is such a weakness

i'm not a faker, i'm all that wild...I'll break all the rules,

yeah.

I'll be your perfect no one.  
nothing can break me down.  
I'll be your perfect no one  
no one can break me down.  
no one can break me down  
no one can break me

I'm not a faker, I'm all that wild...I'll break all the rules,  
yeah.

I'll be your perfect no one  
nothing can break me down  
I'll be your perfect no one  
no one can break me down.  
i'll be your perfect one (x2)

I'm not a faker, I'm all that wild  
I'm not a faker, I'm all that wild.
