I never get tired of hearing your voice
Or watching you smile
The little way your eyes get a little lazy
When I'm drivin' you out

The warmth of your touch
I've never needed someone so much

I don't know if it's love yet
But I'm willing to risk it
'Cause this feelin' I'm feelin'
Is nothing I've ever felt before

And it scares me to death
This poundin' in my chest
And it's all I've been waitin' for
And more

Every time you laugh I'm closer to the edge
Of lettin' go
And lettin' my heart melt if only for a moment
But it's fear that holds me

It's a fight I can't win
I'm gonna have to just give in

I don't know if it's love yet
But I'm willing to risk it
'Cause this feelin' I'm feelin'
Is nothing I've ever felt before

And it scares me to death
This poundin' in my chest
And it's all I've been waitin' for
And more

And it scares me to death
This poundin' in my chest
And it's all I've been waitin' for
And more and more
