I could force a smile
Say at least I've loved for a little while
Consider myself a one of the lucky few

Spend the rest of all time
Dreamin' of when you were mine
Tryin' to make sense of goodbye
Oh, but that's not what I'm gonna do

I'm gonna get up, get out, get on with my life
Gonna get back on my feet
Say goodbye to the tears I've cried
They won't get the best of me

Take back what's mine, reclaim my pride
And find me someone new
I intend to love again
As soon as I'm over you

I won't dwell in the past
I've got a one way ticket, not lookin' back
Gonna travel to a town where I'm the someone new

Start all over again
Bring this heartache to an end
Throw your memory to the wind
Yeah, that's what I'm gonna do

I'm gonna get up, get out, get on with my life
Gonna get back on my feet
Say goodbye to the tears I've cried
They won't get the best of me

Take back what's mine, reclaim my pride
And find me someone new
I intend to love again
As soon as I'm over you

I'm gonna get up, get out, get on with my life
Gonna get back on my feet
Say goodbye to the tears I've cried
They won't get the best of me

Take back what's mine, reclaim my pride
And find me someone new
I intend to love again
As soon as I'm over you
Yeah, I intend to love again
As soon as I'm over you, yeah

Get on with my life, get up
Get up, get on with my life
