Single-sided conversations, too much time spent alone
Even though my heart's breakin', you don't even know
Today, I was thinkin' 'bout us, what I'd do without you
I was lost in reflection when I found the truth

Can't think of one reason
To try and find a way to make this work
Through cryin', through denyin'
Tired of pretendin' I don't hurt
So, I've been thinkin' maybe my heart's better off
broken

Sometimes stayin' is the easy way out
But, I can't ignore this pain
Made up my mind to get it over wih now
'Cause you're not gonna change

Can't think of one reason
To try and find a way to make this work
Through cryin', through denyin'
Tired of pretendin' I don't hurt
So, I've been thinkin' maybe my heart's better off
broken

Can't think of one reason
To try and find a way to make this work
Through cryin', through denyin'
Tired of pretendin' I don't hurt
So, I've been thinkin' maybe my heart's better off
broken
Better off broken
