I don't miss you like I used to
I pulled your pictures from the wall
I go just where and when I want to
I'm better off now all in all

My heart ain't breakin', it's through aching
And I'm movin' on

But I cry a little bit everyday, at least one teardrop falls
It doesn't matter, rain or shine
I try to leave it all behind, I swear that I'm alright
But in the middle of the night I cry

I used to hear your voice calling
You'd never let me go to sleep
You always got your way now, darling
But you won't get the best of me

Any longer
I'm stronger, I'm free

But I cry a little bit everyday, at least one teardrop falls
It doesn't matter, rain or shine
I try to leave it all behind, I swear that I'm alright
But in the middle of the night I cry

Still I cry a little bit everyday, at least one teardrop falls
It doesn't matter, rain or shine
I try to leave it all behind, I swear that I'm alright
But in the middle of the night I cry, I cry, I cry
