I put on my shades
And walked out the door today
The sunshine, bird sing
Yes I'm alive again

I'm feeling fearless, growing stronger
Not letting your memory linger any longer
I'm just a step away from gettin' over you
I swear, I'm gettin' there

Time slipped right by
Too many tears I've cried
Wasted, depressed
Glad I've got that off my chest now

Feeling fearless, growing stronger
Not letting your memory linger any longer
I'm just a step away from gettin' over you
I swear, I'm gettin' there

Took a small step, took a deep breath
Told myself there's more to life not less
Didn't give up, didn't give in
This is where the heartache finally ends

I'm feeling fearless, I'm growing stronger
Not letting your memory linger any longer
I'm just a step away from gettin' over you
I swear

I'm feeling fearless, I'm growing stronger
Not letting your memory linger any longer
I'm just a step away from gettin' over you
I swear, I'm gettin' there
I'm gettin' there
(I'm gettin' there)
