Fake Messiah - Crown Of Lies

You tried to walk on water  
but you sank like a stone  
and the water you turned into wine  
was just water diluted by blood

Hungry people gather  
and wait for the bread to pass along  
but the only mouth fed was your own

Self proclaimed Messiah  
claims to the throne  
blasphemy and lies  
you sink like a stone

posing as a savior  
but your just nothin but scum  
imposter in disguise  
wearing the crown, crown of lies

Crooked words exit your mouth  
and enter the ears of innocent people  
filling them with false hopes and expectations

Self proclaimed Messiah  
claims to the throne  
blasphemy and lies  
you sink like a stone

Sink like a stone,  
you sink like a stone

Your'e heresy has spread both wide and far  
casting shadows over the caddle  
but i am not blinded  
I still see the truth  
a, heretic feeding lies to the hungry masses

You spread you last lie  
You had your last cermon

You spread your last lie
