Fake Messiah - Final Act

Don't look at me you got yourself to blame,  
your lies have caught up from where they came.  
Out of your mouth and up in your ass,  
run down by sins, buried and trashed

It's too late for excuses,  
It's too late too apologize,  
It's time for you to face,  
The consequences of your lies

There is no sutch thing as forgiveness  
for the deeds you have done.

Cause what has been done  
can not be reversed.  
You better learn,  
learn to think first.

It's too late for excuses,  
It's too late too apologize,  
It's time for you to face,  
The consequences of your lies.

Don't let your mouth go writing checks  
your ass cant afford to pay,  
but now you have done it, you bit of more than you can  
chew  
it will slowly be suffocating you.

There is no sutch thing as forgiveness  
for the deeds you have done.

This is the final act of purification.

Game over, It's a wrap.  
Pull down the curtains on this final act.  
Your part is over and so are you  
pull down the curtains, on this final act of purification
