The Time comes and fades away
Nothing can be undone
Why Did we lose our way
Think about it.What do you want.Baby
I just want you to stay
You drive me Crazy
Open up ya Eyes it's plain to see
Want you right here next to me
I can't understand. No
It hurts me. I'm Alone
Can't stand to be on my own, at home.....

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Anything could be so fine.All the Time.without my Sun
won't shine.

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Ohhh my Baby

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Anything could be so fine.All the Time.without my Sun
won't shine.

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Ohhh my Baby

Baby It's Time
To Bring your Heart to mine
I'd never do ya wrong. We can get along.
Never break ya Heart
Let's Just begin from da start
We would never fall apart
Wouldn't never leave nor deceive you
From the bottom of my heart ya know that it's True....I'm
loving you
I'm honestly after all that we did, we done,
we been through.....Can't You see

All I ever wanted was you....

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Anything could be so fine.All the Time.without my Sun
won't shine.

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Ohhh my Baby

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Anything could be so fine.All the Time.without my sun
won't shine.

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Ohhh my Baby

It's so hard to say
Why did we go astray, Why ya gone away, ya left me
lonely
Ain't a Reason to go away, I'm feeling Sorry
Let's move together till the end
It's gonna be better
Remember,
As we stared at each other, we touched and kissed,and
Said: I love ya
Could throw up when I think about it,
as you said: No matter What, we will Never quit
It will never be over, I always wanna hold ya

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Anything could be so fine.All the Time.without my Sun
won't shine.

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Ohhh my Baby

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Anything could be so fine.All the Time.without my sun
won't shine.

Why Cant You see, Why Cant you see,
That You're the only one for me (The only one for me)
Ohhh my Baby
