Come and look out through the window
that big old moon is shining down
tell me now dont it remind you
of a blanket on the ground

Remember back when love first found us
we'd go slippin out a town
and we'd love beneath the moonlight
on a blanket on the ground

I'll get the blanket from the bedroom
we'll go walking once again
to that spot down by the river
where our sweet love first began

just because we are married
dont mean that we cant slip around
so lets walk out by the moonlight
and lay the blanket on the ground

Oh remember how excited
we used to get when love was young
that old moon was our best buddy
we couldnt wait for night to come

Now you know you still excite me
i know you love me like i am
just once more i wish you'd love me
on a blanket on the ground

i'll get the blanket from the bedroom
and we'll go walking once again
to that spot down by the river
where our sweet love forst began

just because we are married
dont mean that we cant slip around
so lets walk out by the moonlight
lay the blanket on the ground

do do do do do do do do,

do do do do do do do do,

so lets walk out throught the moonlight
lay the blanket on the ground,
do do do do do do do do.
