Broadminded I just don't understand
A broadminded narrowminded man a broadminded
narrowminded man

Every night I catch you sleepin' with a smile on your
face
And calling names that I don't even know
Dear the call of Pat or Gracy and drink down at Stacey's
It's making plans to see your girlies show
Broadminded...

[guitar]

Every time you take me dancin' where we haven't done
before

Just to celebrate my night away from home

You start watchin' painted faces and flirt with the
waitress

When we dance it just looks like dancin' alone
