(Jack Rhodes - George Richey)  
Go on with your new love  
Have a good, good time  
Take her out, show her off  
Fill her tall glass with wine.  
Live all you can, I'll forgive you  
When the last thrill is gone  
Just remember old faithful  
Is waiting at home.  
Bright lights, have you blinded  
For a long, long time  
Your rose colored world  
Is a long way from mine.  
I'm just a teardrop from a break down  
And so all alone  
Take your time, when you wake up  
Won't you please come on home.  
Come on home, come on home  
Never more will roam  
I open wide my arms,  
Oh Lord, it's all right so come on home.  
Come on home, come on home,  
Come on home, it's all right so come on home...
