It's knowing you don't try to bind my freedom with  
some promise made of gold  
That for you my door stays open and our love becomes  
a simple to A street  
And it's knowing we're not shackled by forgotten words  
and bones  
And the ink stains that have dried upon some line  
That keeps you on the back roads by the rivers of my  
mem'ry  
That keeps you ever gentle on my mind  
It's not clinging to the rocks and I'd be planted on some  
column now that binds us  
Or something that somebody said because they  
thought we fit together walking  
It's just knowing that the world will not be cursing or  
forgiving  
When I'm driftin' through the market place and find  
That you're moving on the back roads by the rivers of  
my mem'ry  
And for hours you're just gentle on my mind  
[ steel ]  
Though the wheat fields and the clothes lines  
And the junk yards and the highways come between us  
And some other woman crying to her mother cause she  
turned and you were gone  
I still might walk for hours tears of joy might stain my  
face  
And a summer sun might burn me till I'm blind  
But not to where I cannot see you moving on the back  
roads  
By the rivers flowing gentle on my mind  
[ ac.guitar ]  
The shadows freek in the autumn winds that make me  
draw inside myself in silence  
Cross legged night I sit and watch the endless chase of  
leaves across my yard  
And layin' down my hair brush I lean back within my  
window seat and find  
That you're moving on the back roads by the rivers of  
my mem'ry  
Ever smiling ever gentle on my mind
