Take the ribbon from my hair shake it loose and let it
fall
Laying soft against your skin like the shadows on the
wall
Come and lay down by my side till the early morning
light
All I'm taking is your time help me make it through the
night
I don't care who's right or wrong I won't try to
understand
Let the devil take tomorrow Lord tonight I need a friend
Yesterday is dead and gone and tomorrow's out of
sight
I don't want to be alone help me make it through the
night
[strings]
I it's sad to be alone help me make it through the night
I don't want to be alone help me make it through the
night
