Well I'm livin' when I'm lovin' and I'm lovin' every time
I'm with you
Just like walkin' in the sunshine Lord you make me feel
so fine
And as long as we're livin' and lovin' the way we want to
I know I'm gonna be the most loved woman alive
I'm gonna hold on to the love I got I couldn't careless it
they like it or not
As long as you're satisfied with the things I do
I'm gonna hold on to the love I got in a hundred million
years I'll never stop
Cause there's nothin' in this world that could keep me
from lovin' you
[trumpet]
The thrills I feel I know are real when you hold me
And I wake up every mornin' with your arms wrapped
around me tight
And the feelin' I feel is exactly the way it should be
Cause the love we've got keeps goin' every day and
night
I'm gonna hold on to the love...
Cause there's nothin' in this world that could keep me
from lovin' you
