Seems like it was yesterday still it's hard to say
Why God would try so hard to get me
Looking back I'm blown away
Now His love's like second nature, he makes me shine

Oh, no it's no secret, I can't keep it in
I'm wearin' my heart on my sleeve
I belong to Jesus that's who I am
With all of my heart, I believe, I do believe

Feel like I'm about to fly, oh, I'd love to try
'Cause Heaven has come down to set me free
You don't need to wonder why
Now His love's like second nature, He's part of me

Oh, no it's no secret, I can't keep it in
I'm wearin' my heart on my sleeve
I belong to Jesus that's who I am
With all of my heart, I believe, I do believe

I'm wearin' my heart on my sleeve, yeah
All of my heart
I believe, I do believe

Well, it used to be that I just couldn't believe it
But I've got faith and hope now
And it was believin' that made me see, oh yeah yeah
It's part of me yeah

Oh, no it's no secret, I can't keep it in
I'm wearin' my heart on my sleeve
I belong to Jesus that's who I am
With all of my heart, I believe, I do believe

Oh, no it's no secret, I can't keep it in
I'm wearin' my heart on my sleeve
I belong to Jesus that's who I am
All of my heart, I believe, yes I do, I do believe

It's no secret
I'm wearin' my heart on my sleeve
I belong to Jesus that's who I am

With all of my heart, I believe, I do believe
