(Tammy Wynette)

Accident'ly in your arms and that's all it took  
Knowing how you want and need me with just one look  
To leave you now is something you should know that I  
can't do

I stayed long enough to fall in love with you.  
Long enough to know that what I feel won't go away  
Just lookin' won't be near enough after today  
Everything I need is everything I see in you  
I stayed long enough to fall in love with you.

--- Instrumental ---

Yes, everything I need is everything I see in you  
I stayed long enough to fall in love with you.  
I stayed just long enough to fall in love with you...
