I believe in fairy tales
Where knights in shinin' armour come along
You were my knight in shining armour
And you stole my heart with a song.
You gave me a castle and a princess
And I was the wor-orld's proudest queen
But then came the dragon in the bottle
And I watched as it slowly slayed the king.
And we all live happy never after
For we just put the castle up for sale
But I guess that I will always be a dreamer
'Cause I still believe in fairy tales.
Yes, I stilll belie-ieve in fairy tales...
