There's a picture that I carry one we made some time ago
When they ask who's in the picture with me I say just
someone I used to know
Just someone I used to spend some time with just a
flame that lost it's glow
I don't tell them how lost I am without you I say just
someone I used to know
[steel]
Just someone I used to run around with just a friend
from long ago
I don't tell them how lost I am without you I say just
someone I used to know
I say just someone I used to know
