When everything right seems to go wrong  
Your heart waits to sing but it can't find a song  
When it seems that the world has left you behind keep  
me in mind  
When you think that life is just passing you by  
You look but you can't find a reason to try  
When it seems that a friend is so hard to find keep me  
in mind  
Keep me in mind cause I'll never stop loving you  
And as long as I live I'll have love to give and I'll give it  
all to you just you  
When the dreams that you've chased have all gotten  
away  
And you stand at the end of a long lonely day  
You'll never be far from these arms of mine keep me in  
When the dreams that you've chased...  
Keep me in mind
