Kids say the darndest things  
Have you ever listened close to the games they play or  
the little songs they sing  
Last night dressed up in high heel shoes and wearing  
my old hat  
My four-year-old said I wanna divorce now where did  
she hear that

Kids say the darndest things...  
Have you ever listened close to the games they play or  
the little songs they sing  
Last night as I watched TV one rushed through the door  
Mommy daddy's telling someone on the phone don't  
you call me here no more

Kids say the darndest things...  
Have you ever listened close to the games they play or  
the little songs they sing  
Bet my daddy can whip your daddy but daddy's never  
home  
And I think mommy's worried bout him cause she cried  
all night long

Kids say the darndest things...  
Have you ever listened close to the games they play or  
the little songs they sing  
You never know what they learn at school or what  
they're thinking of  
My first grader just said a four letter word and it sure  
wasn't love

Kids say the darndest things...  
Have you ever listened close to the games they play or  
the little songs they sing  
Kids say the darndest things...
