(Billy Sherrill - Glenn Sutton)
Kiss away, kiss away
Guess that's all that's left to say
Please come back
And kiss these tears away.
Smile again, let me smile again
Make this life worth livin' again
Please come back
And kiss these tears away.
Only you can change
These sad and blue days
Only you can
Make them I-love-you days.
Kiss away, kiss away
Still there's nothing left to say
Please come back
And kiss these tears away
Only you can change
These sad and blue days
Only you can
Make them I-love-you days...
