My man understands, he holds me in the palm of his
hand and
I like it ,I like it.
He's a dream, the real thing ,he always makes me feel
like a queen
And I love it, I love it.
His arms, are warm, they keep me away from harm
and I'm proud of it ,so proud of it.
He's mine, he's fine, he makes a funny feeling go up
my spine
And I wanna keep it like this all the time.

He's got what I want,when I want it ,he's got what I
need,when I need it,
I'd fight a million, just to keep it,Just to keep on holding
to the precious love he gives me

How I hate, to sit and wait ,when I know he's got to work
late
I can't stand it, can't stand it.
But when, he walks in ,and I'm in his lovin' arms again
I forget it ,I... forget it.
His touch, is too much, he knows how to love me just
enough
And I love him, I love him.
My man, understands ,he holds me in the palm of his
hand
And I wanna keep it like this, all the time.

He's got what I want ,when I want it,He got what I need,
when I need it, I'd fight a million, just to keep it. Just to
keep on holding to the precious love he gives me.
My man understands, he holds me in the palm of his
hand
And I wanna keep it like this all the time,
Yeah I wanna keep it like this all the time.
