NUMBER ONE
WITH GEORGE JONES
WRITER JERRY CHESNUT

I don't wanna see no lips of all the lips you've ever
kissed
I just wanna be your No 1
I don't need no one to warm me I don't care who came
before me
I just wanna be your No 1
All that happened yesterday is now a part of history
Let me be your destiny let's do what's right for you and
me
I don't wanna try and undo all the wrong somebody
done you
I just wanna be your No 1
My whole world revolves around you life began the day
I found you
I just wanna be your No 1
Let's not spend no time discussin' anything that don't
mean nothin'
I just wanna be your No 1
Take me in your arms turn out the light lock the door
And I won't even wonder if somebody had a key before
I don't wanna solve no mist'ry yesterday belongs to
hist'ry
I just wanna be your No 1 No 1 I just wanna be your No
1
I just wanna be your No 1 I just wanna be your No 1
