I just love that good old gospel singing I'll Fly Away's
my favorite song
I just love that good old time religion this old world has
gone without it much too long
Oh how I love to sing and tell when they ring those
golden bells
And I just can't stand in one place when they sing
Amazing Grace
I just love that good old country preaching
This old world has gone without it much too long

Yes I love them good old fashioned gathering where all
of God's children came to pray
And oh how I really miss those old brush arbors
How I wish we had more of these days today
Oh how I love to sing and tell...
